## Welcome!

Thank you for joining The Ink Drinkers Press,  
The Wandering Library's monthly newsletter!

The Wandering Library is a dream come true and we are thrilled to share that dream with our community. Our mission is to create a welcoming, inclusive environment for readers; make books and reading devices more accessible; promote literacy and a love for storytelling; and provide everyday essentials; and enhance community resources by supporting local organizations.

On April 1<sup>st</sup> we officially launched after working tirelessly for months - building our board, designing our gorgeous website, collecting book donations, and planning for our first public event.

We're on a mission to create a fully functional mobile bookstore (much like the pictured example) so we can bring books to more people. We are eager to get on the road! We are currently accepting donations to purchase our truck!

Together, we can make a difference in our community!
