

Welcome!

Thank you for joining The Ink Drinkers Press,  
The Wandering Library's monthly newsletter!

*The Block Party* this past Sunday was amazing! The weather was beautiful and our booth was filled with readers and booklovers of all ages; scoping out our free children's book cart, our selection of adult books, beautiful handmade items by Mima's House, and more! We are incredibly grateful to everyone who browsed, chatted with us, participated in our raffles, and helped promote our mission! It was truly a fabulous launch into our greater community and we are thrilled with the positive feedback and interest we've received. Thank you, Brookfield Community!

*Congratulations* to our three community members who won the raffle items on Sunday! We are incredibly grateful to two of our winners for choosing to donate their prizes back to us! We will be sure to offer them up again soon.

School is out and summer weather has arrived! We are thrilled to get more opportunities to connect with our community. We have some fun programs and events in store, so stay tuned!

*Thank You* to everyone who has donated books to us in the past few months, we are tirelessly working to get them sorted and back out into the hands of booklovers in the community!
