

Welcome!

Thank you for joining The Ink Drinkers Press, The Wandering Library's monthly newsletter!

Happy July, Warderers! Summer is in full swing and we have been busy collecting generous book donations from the community. We are currently out of room and need to limit the donations we can accept until further notice. Thank you to everyone who has reached out and donated, we are truly grateful!

The **Senior Expo** in Southbury was a fun time, filled with a variety of great vendors who we loved getting to know. Thanks for having us!

In the coming months, our main focus is to connect with the community in more ways. We intend to participate in more community events and offer volunteer opportunities to help us sort, organize, and distribute our previously loved book collection.

To ramp up engagement, we are looking for more markets and events to attend. Please contact us if you have any suggestions or information regarding events in the Fairfield County area! We'd love to hear from you! **Email us at: twlibraryinc@gmail.com**

We are excited to share that we're working to secure a space to invite clients to browse our books, and volunteers to help us sort and organize our growing collection. We look forward to having the ability to welcome people into our operation. Stay tuned for the location announcement soon!

Donate Today!

We're on a mission to create a fully functional mobile bookstore so we can bring books to more people.

We are eager to get on the road!

We are currently accepting donations to purchase our truck!

Know someone who cares about books and community? Share our site and help spread the word!
